

ALLIANCES WITH THAI CUISINE

The Blue Elephant Group of restaurants have always distinguished themselves by going off the beaten track and offering an innovative and interesting wine list.

With years of experience in tasting, we feel honored to share with you some of our knowledge:

Generally speaking, fully flavoured grape varieties such as Gewürztraminer, Arneis and Cerdana perfectly match our cuisine. If you preference is for red wines then Shiraz, Grenache and Cabernet France are types of grape that will bring a pleasant balance to your palate.

Within our eclectic wine list you will find a selection of wines that we not only hold in high esteem for their flavour but also value for money and compatibility with Thai food.
